

REFEREEING POLICY

PURPOSE:

This policy aims to provide clear guidance to current referees on the protections available and reporting lines through affiliated competitions and the responsible association or body for them under the Basketball Tasmania governance structure.

AFFILIATED AND PERMITTED LEAGUES:

- Launceston Basketball Association
 - Domestic leagues; i.e. Baptist, Social, Juniors, Seniors, Under 22's
 - Northern High Schools – NHSSA
 - Walking Basketball
 - Ford Aussie Hoops
- Basketball Tasmania
 - TJJL
 - State League
 - NWBU Seniors and Under 22
 - SATIS/NSATIS
 - North East Basketball Union
 - BTAS Tournaments i.e., Classic, High Schools, Tri Series
- School Run Competitions i.e. lunch time rosters

NON-AFFILIATED LEAGUES:

Refereeing basketball outside of the Basketball Tasmania competition structures does not offer you the protections of the Basketball Australia Codes of Conduct, Tribunal Guidelines or access to LBA staffing or support services available within affiliated competitions.

Participation in non-affiliated leagues without prior approval from Launceston Basketball Association can lead to poor referee experiences and outcomes, financial loss and reduced development opportunities.
